**Subject:** Electronic records belong to citizens

Ladies and Gentlemen,

Please know that I agree with the Milwaukee Journal Sentinel editorial published in today's paper – January 6, 2016. Rescind your action to limit access to text messages, email, Facebook posts and other electronic communications by public employees. I am a taxpayer in the state of Wisconsin. I am a supporter of open government meetings and correspondences. True and successful Democracy is based on an educated, informed voting electorate.
