Subject: Electronic records

Gentlemen (?),

As per the editorial in the Milwaukee Journal Sentinel dated today, Jan. 6, 2016, the Board "needs to rescind its action to limit access to text messages, emails, Facebook posts and other electronic communications by public employees."

Additionally, the legislature's Joint Finance Committee, last July, "moved in secret to gut the state's open records law on the night before a long holiday weekend"

This is despicable and totally unacceptable governance! Sadly, it doesn't surprise me! There will be "consequences in this election year for those who try to curb access to government."

Changing the definition of transitory records that allowed our so called governor to claim that he was just following state law was absolutely and unequivocally shameful!

Rest assured that your time is coming, hopefully sooner than later!

KEEP PUBLIC RECORDS PUBLIC !!!!
