Electronic records created by public employees ,who are paid by taxpayers, and conducting business on equipment paid for by taxpayers, MUST REMAIN OPEN FOR PUBLIC SCRUTINY. Government conducted outside the public view breeds corruption, if it hasn't already. I realize that the Walker administration is eager to conduct all public business and government decision making under a cloak of secrecy, however that is not how a transparent government is conducted. KEEP ALL ELECTRONIC RECORDS PRODUCED BY PUBLIC EMPLOYEES OPEN FOR PUBLIC REVIEW. DON' T LET CORRUPTION TO BREED IN WISCONSIN GOVERNMENT.

THANK YOU
