Subject: Keep records public

To whom it may concern,

Government remaining accountable to the public is of the most importance.

Please keep public records available to the public!

As a new American citizen, I am so excited to vote. I am a lifelong liberal leaning independent, but I don't choose to always tow party lines. While it is highly unlikely for me to support Scott Walker in the next gubernatorial election, I would hope that you all make the right choice to not gut the open records law.

Thank you,
