Subject: Keeping ALL public records totally transparent

Please know that we, the honest, hard-working citizens of the late great state of Wisconsin are dismayed, angered, and mobilized by the recent and ongoing efforts of (some) legislators to obfuscate all communications, and to make record of legislation opaque. We will do everything in our power to expose you, unseat you, and make you pay for the pillage to our state. This is NOT an idle threat. We want our clean government in Wisconsin back, and we will fight you tooth and nail for it. Please do not make us do that. You will be sorry.

Warm regards in all other aspects of your life,

Jacquelyn Drummer
