To: DOA Public Records Board Comments; Rep.Schraa - LEGIS
Subject: Limiting of access to public employee records

To whom it concerns:

Please rescind the action that limits public access to text messages, emails, Facebook, and other electronic communications by public employees. Only an open government can be held accountable by its public; while privacy concerns have value, so does a higher standard of conduct by those elected to govern. If privacy really is a concern, perhaps public office isn't a good choice for an individual.

Thank you,
