Subject: OPEN Public Records Board

You know, dishonesty in government is not acceptable in WISCONSIN.
The problem is that Doyle started this and now the Republicans want to get even. I vote Republican and I can assure you there is no way I would ever accept something like this. Wisconsin has gone from the far left to the far right. COOL IT AND DON'T DO IT. I will find out who is on the board and something will have to be done unless you turn honest.
