Public Records Board,

I find your continuing efforts to thwart public access to our public records appalling. Finally all Republicans in the State of Wisconsin have earned my distrust. What you have been attempting is totally unacceptable. This is not only bad governing, what you are attempting is unfair and just plain wrong. Many of the Republican policies go totally against what I have tried to teach my children in terms of "right and wrong." At this time I find it impossible to support any Republican candidate in the State of Wisconsin. Your efforts totally disgust me.

Very Sincerely,
John O. Dorsey
