**Subject:** Open Government statement

To the Public Records Board:

As a voter and citizen of the State of Wisconsin I wish you to know I am opposed to the new policy of curtailing open government by making it possible for the legislature to destroy and /or keep records secret from the public they serve. We must be aware of the actions of our representatives. This secret change in policy is an insult to every citizen of Wisconsin. The board must rescind this change immediately.

Sincerely,  
Elizabeth Polak
