Subject: Open Government

To the Board,

I'm really tired of everything that's been going on in the last seven months or so. Let's not kid ourselves these past events had nothing positive to do for the people of Wisconsin.

If it was up to me every legislator that tried to pass that garbage this past summer should get voted out of office regardless of party . It was self serving, that's it. We need more open government, not less.

It should not be any surprise when nobody seemed to want to take credit for the proposal.

PLEASE LEAVE THE OPEN RECORDS LAW ALONE!

I forgot to sign my name.
