Subject: Open Government

To whom it may concern,

Open government has been a hallmark of Wisconsin, but your recent decision to allow a more "secretive" approach to governing needs to be reversed. In these times of hyper partisanship, please take the lead and rescind your previous action to limit access to communications by public employees. Do the right thing and stand with your fellow citizen of our great State of Wisconsin. Open the curtains of government, drawing them in tighter is just not the way to go. Thank you.
