Subject: Open Records Law - Please Leave it Alone

Public Records Board,

The Open Records Law keeps our government in the hands of the people, not hidden by the whims of those in power to blind-fold us or deafen us to hear what they only want us to hear. You, the Public Records Board, has a responsibility to keep public records public. The game that is being played to try and close / obscure public records has to stop. And you have a responsibility to the people of Wisconsin to not hide public information. It is disappointing that your actions take us backwards in time and closes our governing. Wisconsin is better than this.

Sincerely,
Steve Bieniasz
