Subject: Open Records Law

Hello, please accept this email as a request to rescind all recent changes made to the Wisconsin Open Records law by this board or any other entity that I may not be aware of.

Emails about meetings, meeting agendas, attendees, minutes, ad-hoc reports, etc. are all relevant and important information that needs to be maintained and included in the public record so voters have an understanding and the details about how our government is being run.

Thank you for setting up this email address and accepting voter input on this matter.

Sincerely,

Henry V. Musto
