**Subject:** Open Records bill  
**Importance:** High

How can this board even consider this measure? I am once again outraged by the audacity of this assembly. Hiding information from their employers, the people of Wisconsin will open the doors to more fund mismanagement, cronyism and graft by our state officials. I am not generally an active protester but if this bill passes, I will become involved in trying to get anyone who votes for it thrown out of office. Wisconsin voter and concerned citizen
