Subject: Open Records policy and Law

Dear Public Records Board,

I am writing to strongly urge you to keep the public records OPEN. We are a Democracy and the people are entitled to know what those in power, the leadership of any political party is doing and who is contacting them.

Leave the Open Records law alone! It is a disgrace to all Wisconsinites should you try to limit or change the law for Open Records and therefore cover up existing and potential behavior and activity by our representatives of either party.

Keep the Open Records Law!

Sincerely,

Deborah Payden
