You MUST NOT make changes to Wisconsin's open records law.

Recently, attempts have been made by Scott Walker, Robin Vos, and members of the Public Records Board to "clarify" the open records law, thereby obstructing access to meeting schedules, meeting agendas, meeting minutes, and emails regarding state business. All of these actions were taken behind closed doors.

These changes must not be allowed. As Wisconsin citizens, inveterate voters, and individuals interested in the state's welfare, we insist that total access to all activity done in our name be completely open to view.

You work for us.

In good faith,

Kathryn and LaVern Herman
