Subject: Open records of all legislature actions.

The only reason for Wisconsin state government secrecy is to prevent the public from finding out the corrupt decisions that lawmakers pass which are not in the public's interest. We the people pay your salaries even though wealthy, special interests have apparently paid for (bought) your campaign and expect you to favor them over the public. Wisconsin residents are not benefitting by the pressure (money) from ALEC, Grover, and other moneyed organizations. LEAVE RECORDS OPEN TO ALL.

sincerely,
M. Knapp
