My name is Barbara Cahill and I live at 304 Lisbon Rd in Oconomowoc. I consider myself a fierce independent and am encouraging all of you that are part of this very important board to continue the policy of transparency and openness of all records in our fine state between public employees, including texts, emails, Facebook messages and hard copies. Please listen to the voices of the people, we want to have the ultimate and complete trust in our government. Thank you for taking the time to read this. Sincerely, Barbara Cahill
