**Subject:** Please rescind your action

Public Records Board, Please rescind your action to limit access to text messages, emails, Facebook posts and other electronic communications by public employees.

Open government is essential in a democracy. Without open records, we are not a democracy. The public has a right to know how their elected officials and other public employees are conducting business and how they are spending taxpayer dollars.

Sincerely, Faye Flesia, 726 N. Cumberland Drive, Waukesha, WI 53188
