Subject: Public Records - do not change the open records laws!

The corrupt officials in Madison have no right to change the open records laws of this state. If you hold public office of any kind we the people have the right to see what is going on, on every level. The only reason to keep the public from knowing what is going on is if it is something illegal. Stop the corruption in Madison and start to follow the wishes of the people of this state. Hope not to see any of these people in office again.
