Subject: Public Records Board and Citizen Access to All Government Records

Director and Members of Public Records Board,

I a private citizen, and the Elected Retiree Member of the Milwaukee County Pension Board I implore you to do everything within your power to ensure that the citizens of Wisconsin have full and complete access to the actions, hearings, discussions of policy, and formation of rules of law at every level of government within our great state.

An informed citizenry of the State of Wisconsin will ensure better government for us all.

Thank you,

D. A. Leonard
