Subject: Public Records mean ALL PUBLIC RECORDS!!

Dear Public Records Board:

I AM AGAINST YOUR PROPOSED ACTION TO LIMIT PUBLIC RECORDS!!!

For the benefit of Wisconsin taxpayers, our state government is SUPPOSED to serve the PUBLIC, not keep the PUBLIC in the DARK, as your Board is contemplating doing.

Thank the Taxpayers for your ability to meet in a building with heat owned by the Taxpayers, and not hold this meeting on a park bench outside. It is by the Taxpayer's pleasure that YOU serve US!

I am sick and tired of having to keep after this Republican Administration time after time for believing that they have the right to keep the citizens "in the dark time after time" since their election. Even Republican citizens are smart enough to notice the POWER GRAB that is taking place!

I thank the Milwaukee Journal Sentinel for their ability to WATCH your antics and give us ALERTS as to your under-handed efforts du jour!
