Subject: Public Records need to be PUBLIC

We The People are very disappointed to learn of the shenanigans which have resulted in the public not being informed regarding some rather shady dealings.

I refer you to the editorial entitled, "An open letter to the State Public Records Board", written by George Stanley, which is publicly available at the Milwaukee Journal-Sentinel web site.

Mr. Stanley has thoroughly researched this situation and I will eschew redundancy by asking you, if you have not already done so, to view his editorial.

We The People deserve better. Please do whatever is necessary to ensure transparency in all government business!

Sincerely,
Nancy Ames
