Subject: Public Records

Lo so many years ago a famous American wrote a letter about what our government means to him: "The basis of our government being the opinion of the people, the very first object should be to KEEP THAT RIGHT; and were it left to me to decide whether we should have a government without newspapers, or newspapers without a government, I should not hesitate a moment to prefer the latter." Thomas Jefferson (1787)

I urge the Public Records Board to rescind its action to limit access to text messages, emails, Facebook posts and all other electronic publications by public employees. We are still a democracy and my right to know what my government representatives are doing is tantamount to a government body with integrity.

Please remember Thomas Jefferson's words.

Cordially,
