Subject: Public Recotds

All public records,of any kind should be open to the public.We paid for them so we own them. The only reason to pass a measure to deny access would be to cover up a crime. Period.

Anyone in favor of this coverup belongs in JAIL! We will vote for any democrat in the next election. Scott Walker and the other Rep's belong in jail. They are liars.
Special prosecutor anyone??

Paul Smith and entire family.
