**Subject:** Public records

Making any attempt to conceal, or make unavailable, to any degree, the records and activities of any politician or govt employee, BUT ESPECIALLY POLITICIANS, should be viewed as corrupt, manipulative, and underhanded.

The government of this state belongs to the people, not to the politicians who are fortunate enough to have the opportunity to SERVE the people of our state.

This is a no-brainer. Do the right thing.

-Ben from Wauwatosa
