Subject: Public vs Private

Public Records Board:

Please do the "Right" thing. All public records should remain as public as possible.

I am a proud, born and raised Wisconsinite. Proud of our "Progressive Tradition" and all things Wisconsin. However, if things keep moving in their current, unacceptable manner, I will soon be another statistic. Another college-educated (with a completed degree and an MBA) citizen leaving this declining state.

I have helped redevelop and save the Pabst Brewery from the wrecking ball. I would also like to help avoid Wisconsin getting knocked down by the current wrecking ball (wrong-minded politicians with an unacceptable agenda).

If people want privacy, they should work in the private sector. If you work for Taxpayers, you give up privacy as to your job and the work you are doing.

Again, please do the "Right" thing **PUBLIC** Records Board.

Please feel free to share this email with anyone. It's Public!
