Subject: Re: Keep all records, keep all records available to public

To: Honorable Public Records Board Members --

Please reverse the actions taken in August, 2015, that declared so-called "transitory" records were no longer necessary to retain. Please keep all records, and please keep all records available to public. Wisconsin is not a national security state, and I can see no reason for the public to be kept from seeing all records regarding elected and appointed, and hired, officials' actions.

Please do your part in keeping Wisconsin on the up-and-up, playing on the square.

Sincerely -- Gregory Francis Bird
