**From:** Joan G. Diers <jdiersapplication@gmail.com>  
**Sent:** Tuesday, January 5, 2016 3:04 PM  
**To:** DOA Public Records Board Comments  
**Subject:** Recent actions on the definition of and actions to limit public access to Transitory Records generated by public employees

Please rescind the action of the board to limit access to text messages, emails, Facebook posts and other electronic communications by public employees.

I support the efforts to keep transitory records open to the scrutiny of reporters and average citizens.
