**Subject:** Rescind Action to Limit Access by Citizens and the Press to All Electronic Communications by Public Employees, Including Elected Officials

Please stop the rush to secrecy by Governor Walker, Speaker Voss, Representative Fitzgerald, and other members of our legislature and public offices by rescinding the subject action. Wisconsin was once a proud example of clarity and openness in government. Sadly, this is no longer the case, and I and others can only ask why? What is being covered up, and by whom? I'm a Senior Citizen, and I vote. Thank you for your attention and consideration.
