**Subject:** Rescind Action to Limit Access to Electronic Records

Please Rescind Your actions to Limit Access to Electronic Records that was passed in 2015. Electronic records such as but not limited to Facebook, e-mail, Twitter, and all other electronic communications are Public (just like they are for any public or private company). If you discuss issues affecting the public, the records need to be available to all (the public).

Thank you,
