Subject: Rescind action to limit access to electronic records

Dear Board Members,

As a long time Wisconsin citizen and voter I ask you to rescind your action to limit access to text messages, emails, Facebook and other electronic communications by public employees. Wisconsin was the progressive state and as of late we have moved in a direction contrary to the beliefs and principles that made our state great. Please vote to keep public officials accountable to the voters in Wisconsin.

I vote in every election,

John L. St. Peter
