**Subject:** Rescind action to limit access to public records

To Public Records Board,

Please rescind your decision from last summer to limit access to public records. Text messages, emails, Facebook posts, and other electronic communications by public employees should be retained as public records. We need improved open government, not more secrets. I just don't understand why Republicans insist on making Wisconsin worse on every topic. Any campaigning I do for the upcoming elections will include emphasizing all these terrible Republican decisions made over the last few years.

Sincerely,

Carol C. Hudson  
Wauwatosa
