Subject: Rescind the action to limit access to all electronic communications by public employees

To whom it may concern,

Please keep our public offices free of corruption and rescind the action to limit access to all electronic communications by public employees. These are public records which belong to the citizens of Wisconsin. Also, please post all names of all the public officials supporting this action so action can be taken to remove each official from public office.

Thank you,
William Hensel
Waukesha WI
