**Subject:** Retain Electornic and all other communications as PUBLIC RECORDS AVAILABLE TO THE PUBLIC!!!

First, Elected Officials and their Appointees, Designees, and Staff are all accountable to the Citizens. The Public has a right to know what any Public Servant is thinking, what they're discussing, what they're planning, in order to judge whether it is good for them, or bad for them, and respond accordingly. "Them" is ALL the people, not just the Donors, Lobbyists, Special Interest Groups, Party Members, etc.

The U.S. Constitution guarantees everyone the Right of Representation. Once elected, it is the responsibility of a Politician to consider how the issue will affect the COMMON GOOD, all the people. Politics is about "Serving Everyone", not just about being re-elected.

Whenever two or more Politicians (etc.) meet and discuss the Public's Business it should be reported in a form that is a 'record' of those discussions, even if you have to keep a Diary available to the public because you met in a bar, or restroom. A Public Servant is "on duty" 24/7. There should be no opportunity for Politicians to "SNEAK" things into law without the public knowing about it. That is the United States of America that we call home!

KEEP ALL FORMS OF COMMUNICATION AVAILABLE TO PUBLIC ACCESS !!!!
