Subject: Shame

By selling out to rich and powerful interests you have brought shame upon yourselves and upon our State of Wisconsin.

Your actions to gut the Wisconsin open records laws are unacceptable.

You are elected representatives of the citizens of Wisconsin but you are working against us, not for us.

You need to know that because of that I and everyone I know will be working hard to replace you in the next election with people who have the courage to stand up for Wisconsin and its citizens.
