I would like to let you know that I feel you need to rescind your action to limit access to text messages, emails, Facebook posts and other electronic communications by public employees. I feel that what the Public Records Board did in "quietly" and with no public notice changed the definition of "transitory records." I feel that our leaders in Madison, including Gov. Scott Walker can't be trusted. It's a sad time for the State of Wisconsin when our leaders don't want to be OPEN and HONEST with all the people of Wisconsin.

Respectfully,

Jeffrey T. Otto
