Subject: legislation regarding public access records

Dear Public Records Board Members,

We are appalled and disgusted by your decision to limit access to public records, and urge you to rescind this action immediately. We cannot believe the audacity and total disregard for the wishes of the residents of the state of Wisconsin. After what happened in July, this is even more of a slap in the face. The PEOPLE told you in no uncertain terms at that time to leave the open records laws alone. Who do you think you are?????

We actually voted for Scott Walker, and we now feel it was among the sorriest mistakes we have ever made in our life. We cannot believe the arrogance of our legislators, especially Robin Vos. What has happened to our Republican party....shameful.

Sincerely,

Robert and Kathleen Siegel
