Dear Public Records Board Chair and Members,

I can't begin to tell you how strongly I feel (as well as my entire family feels) about changes being proposed to the open records law. Please keep public records public! We, the public, have a right to know what our elected officials are doing. I totally agree with the Milwaukee Journal Sentinel when they say, "Stop working behind the scenes to give politicians excuses that they can hide behind." You should be serving the rights of the public and not protecting politicians from warranted scrutiny.
