**To:** DOA Public Records Board Comments  
**Subject:** repression of records from the public

Dear board members. Please help prevent any politician from repressing information from the public. Your title says it all i.e. Public Records. Your board (our board) should be an advocate for the public not just toadies of politicians. Please do everything in your power not to let that happen. You have the mandate to keep Public Records Public.

Sincerely,  
Robert E. Smith
